wholesale@curvadenim.com | www.curvadenim.com

Commercial terms, measurements, test limits and compliance claims become binding only when confirmed in the signed quotation, purchase order and approved specification.

Program at a glance

SIZE DIRECTION	14W-34W
TYPICAL MOQ	120-150 pcs/style/color
PRODUCTION	35-50 days after PP approval
PRICING	Quoted by specification and volume

What buyers can develop

- Opening denim assortments across jeans, skirts, jackets and dresses.
- Buyer-approved size curves, wash standards, trims, labels and packaging.
- Private-label development subject to feasibility, sample approval and MOQ.
- Measurement, shade, construction, labeling and packing controls tied to the approved order.

Commercial note

MOQ and lead time are indicative planning references. Final price, capacity, delivery, Incoterms and payment terms are confirmed by quotation and proforma invoice.
