

CURVA DENIM / WHOLESALE PROGRAM

PRODUCT TECH PACK - 14 STYLE PROGRAMS

One controlled draft page per current wholesale style. Values marked TBC require buyer approval, validated samples and signed order specifications before production.

Document ID	CD-TP-001
Revision	1.0
Issue date	2026-08-26
Audience	Buyer product team, technical design, factory and QC
Market	United States
Status	Buyer review / controlled working document

Contact

wholesale@curvadenim.com | www.curvadenim.com

Commercial terms, measurements, test limits and compliance claims become binding only when confirmed in the signed quotation, purchase order and approved specification.

Document control and use

Rule	Requirement
Authority	Signed purchase order, approved sample and latest buyer-approved specification supersede this draft.
Measurements	All POM values are TBC. Final tables must define garment state, method, base size, grade rules and tolerances.
Materials	No fiber, wash, trim or packaging item is approved until linked to an approved swatch / sample and supplier code.
Compliance	Buyer/importer confirms applicable U.S. requirements. Supplier provides supporting records; this file is not a certificate.
Change control	Any change after PP approval requires a numbered revision and written buyer authorization.

Style index

Style ID	Style name	Category	Wash	MOQ
jean-straight-001	Everyday Curve Straight Jean	Jeans	Heritage Blue	120 pcs/style/color

Pocketing	Cotton blend pocketing; weight and shrinkage TBC	TBC
Closure	Zipper / buttons per approved construction	TBC
Hardware	Buttons, rivets and snaps; finish and pull strength TBC	Soft Black
Thread	Core-spun sewing thread; ticket and SPI by seam	TBC
Labels	Main, size, fiber/care/origin and tracking labels	Buyer artwork
Packaging	Hangtag, barcode sticker, polybag and export carton	Buyer packing manual

Construction and workmanship

- High-rise shaped waistband
- Soft midweight denim
- Straight maxi silhouette
- Back or front walking slit option
- Five-pocket styling
- Hip ease, total length and slit height are graded to retain movement without losing the clean column shape. Length options can be reviewed by program.
- All seams, stitch types, SPI, reinforcement and pressing must match the approved sample.

Points of measure

POM - Base size 18W draft	Spec (cm)	Tolerance	Method / note
Bust	TBC	TBC	Define on diagram
Waist	TBC	TBC	Define on diagram
Low hip	TBC	TBC	Define on diagram
Body length	TBC	TBC	Define on diagram
Shoulder	TBC	TBC	Define on diagram
Sleeve length	TBC	TBC	Define on diagram
Bicep	TBC	TBC	Define on diagram
Sweep	TBC	TBC	Define on diagram
Belt length	TBC	TBC	Define on diagram
Pocket placement	TBC	TBC	Define on diagram

Labels and packaging

Fiber content, country of origin, responsible company/RN and care instructions: TBC by buyer/importer. Main label, size label, hangtag, barcode, folding, polybag and carton marks require artwork and pack approval.
